A MESSAGE FROM COUNTRY FOOTBALL WA

Welcome to the 2026 CBH Colts Country Football Championships. The biggest highlight on the country football calendar is back and we couldn't be more excited to see the four days of high-quality country football that the Championships bring.

Bringing the Championships to life annually is a significant undertaking at so many levels. Country Football WA would like to thank all of our competing leagues, the players, coaches and support staff for committing to representative football. Likewise to the 60+ umpires from throughout country WA that come will showcase their talents throughout the course of the Championships.

Hosting the Championships would not be possible without the support of the WAFL and Community Clubs that open their doors and make their facilities available to us across the four days of

the Championships. If you do see any of our host club staff or volunteers around across the Championships, please thank them for their support of country football,

Finally, we simply cannot run events like the Country Championships without the support of some amazing partners. CBH have been a long-term partner of the Colts Divisions of the Championships. We are extremely grateful for their continued support of Country Football and the CBH Colts Championships.

Goodluck to everyone across the championships and as always, please do not forget to Belt up, and drive safely home at the end of it!

CBH INVESTING IN LOCAL FOOTBALL CLUBS ACROSS GRAIN-GROWING WA

Country football is more than just a game, it's a vital part of community life across regional Western Australia.

That's why CBH is proud to strengthen its long-standing partnership with Country Football WA, providing direct support to 71 football clubs across grain-growing regions.

As part of the partnership, CBH is covering the full cost of public liability insurance for participating clubs, helping reduce operating expenses and easing the burden on volunteers who work to keep local football thriving. This practical support allows clubs to focus their resources where they matter most, supporting

players, families and the communities.

For more than two decades, CBH has partnered with Country Football WA, recognising the important role local clubs play in bringing people together, fostering community pride and creating opportunities for people of all ages to connect through sport.

As a grower-owned co-operative, CBH is committed to investing in initiatives that strengthen regional communities. By directly supporting grassroots football clubs, we can help ensure country footy remains strong, sustainable and accessible for future generations across grain-growing WA.

WA FOOTBALL UMPIRING

The Country Championships remain one of the standout events on the WA football calendar and it's just as special for the umpires as it is for the players.

This year, more than 60 regional umpires from across Western Australia will head to Perth, bringing together a diverse group united by their passion for the game. Across four big days, they'll take on multiple matches, connect with peers from different regions, and share valuable experiences both on and off the field.

But the Championships are about more than just officiating games. They're a chance to grow, to sharpen skills, learn new perspectives, and strengthen ties within the WA umpiring community.

Supporting this journey is a dedicated team of umpire coaches, bringing experience from grassroots football through to the AFL. Their guidance will play a key role throughout the carnival, helping each umpire develop while ensuring a positive and high-quality experience for all involved.

Off the field, evenings will be just as important. Group coaching sessions and social catch-ups will give umpires the

chance to reflect, exchange ideas, and celebrate the effort that goes into an event of this scale.

The Championships will also recognise excellence, with a number of awards presented across the weekend. These include the prestigious JJ Lussick Award for Best Field Umpire, along with honours for the top Boundary and Goal Umpires, and the Peter Troode Encouragement Award — highlighting an umpire who has shown outstanding promise.

Now in its 60th year, the Country Championships carry a proud legacy. For many umpires, this event has been a stepping stone to higher honours in the WAFL and AFL, while for others it's a chance to represent their region and be part of something bigger.

Whether it's your first carnival or one of many, being involved is an achievement in itself.

Thank you to all our umpires for your commitment, energy, and contribution to country football. It's a demanding weekend but one that continues to deliver lasting rewards.

How to check in on someone

Helping others and providing support can make a difference for someone who is having problems and going through a tough time. If you think someone you care about isn't going so well, try the following tips on how to support them and continue to check in on them.

Talk

For most people, just asking if they are okay and listening can make a difference.

By simply being there for someone, they can feel less alone and more supported to open up and talk about how they are really feeling.

Asking open ended questions that require a response is a good way to start the conversation.

FOR EXAMPLE:

- How are you going? What's been happening in your life lately?
- You don't seem quite yourself lately, is something bothering you?
- You seem upset or worried, what's going on? Can I help with something?
- I've noticed you're not going out much lately, anything going on?

Listen

Just being there for someone and offering a listening ear can make a difference.

1. Show them that you care and are here to listen to them.
2. Have patience, let others talk and don't judge.
3. Be reflective by repeating what they have said.
4. Keep calm and accept that they may disagree with you.

Provide support

If the person you're concerned about is in a life threatening situation, or is at risk of harm to themselves or others, call 000.

Getting help early can make a difference. A good place to start is:

- Talk to your GP or someone you trust.
- Call a support line.
- Contact a support service.
- Try the Think Mental Health check-up tool.

They may also need your support while they look for professional help.

Do an activity together

Activities create conversation. Find an opportunity during everyday life activities to start the conversation and ask them how they are really feeling. Try doing activities together such as:

GOING FOR A WALK

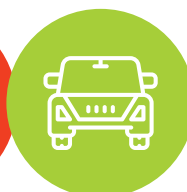

GOING TO AN EVENT TOGETHER

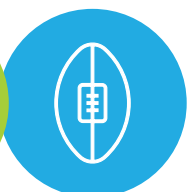

GOING FOR A COFFEE OR A MEAL

KICKING THE FOOTY, PLAYING A GAME, SURFING ETC

GOING FOR A DRIVE

ANYTHING THAT ENCOURAGES OR PROVIDES AN OPPORTUNITY TO HAVE A CHAT
