A MESSAGE FROM COUNTRY FOOTBALL WA

Welcome to the 2026 Country Football Championships. The biggest highlight on the country football calendar is back and we couldn't be more excited to see the four days of high-quality country football that the Championships bring.

Bringing the Championships to life annually is a significant undertaking at so many levels. Country Football WA would like to thank all of our competing leagues, the players, coaches and support staff for committing to representative football. Likewise to the 60+ umpires from throughout country WA that come will showcase their talents throughout the course of the Championships.

Hosting the Championships would not be possible without the support of the WAFL and Community Clubs that open their doors and make their facilities available to us across the four days of the Championships. If you do see any of our host club staff or volunteers around across the Championships, please thank them for their support of country football,

Finally, we simply cannot run events like the Country Championships without the support of some amazing partners. Nutrien Ag Solutions have been a long-term partner of the Championships, and we are extremely grateful for their continued support of Country as a major partner of Country Football WA and of the Nutrien Ag Solutions Mens Championships.

Finally, we simply cannot run events like the Country Championships without the support of some amazing partners. CBH have been a long-term partner of the Colts Divisions of the Championships. WELCOME FROM NUTRIEN AG SOLUTIONS

Country football is at the heart of regional Western Australia. It brings communities together, develops future leaders and creates lifelong connections. Nutrien Ag Solutions is proud to have supported Country Football WA for more than five decades.

For more than 180 years, we've stood alongside Australian farmers, providing trusted advice, quality products and practical solutions. While we're backed by the strength of a global business, our focus has always remained local—supporting the people and communities where we live and work.

At Nutrien, we believe strong rural communities are built through long-term relationships, shared values and a genuine commitment to showing up when it matters most. That philosophy extends well beyond agriculture and into the sporting clubs, volunteers and

organisations that play such an important role across regional WA.

Our support of country football reflects that commitment. It's a partnership founded on a shared belief in regional Australia and the people who make it thrive.

To every volunteer, coach, player, umpire and supporter—thank you for the time and passion you invest into your clubs and communities. Your contribution is what makes country football so special.

On behalf of everyone at Nutrien Ag Solutions, I wish all teams the very best for this year's Country Football Championships and great finish to your 2026 seasons.

Andrew Duperouzel

Nutrien Ag Solutions

WA FOOTBALL UMPIRING

The Country Championships remain one of the standout events on the WA football calendar and it's just as special for the umpires as it is for the players.

This year, more than 60 regional umpires from across Western Australia will head to Perth, bringing together a diverse group united by their passion for the game. Across four big days, they'll take on multiple matches, connect with peers from different regions, and share valuable experiences both on and off the field.

But the Championships are about more than just officiating games. They're a chance to grow, to sharpen skills, learn new perspectives, and strengthen ties within the WA umpiring community.

Supporting this journey is a dedicated team of umpire coaches, bringing experience from grassroots football through to the AFL. Their guidance will play a key role throughout the carnival, helping each umpire develop while ensuring a positive and high-quality experience for all involved.

Off the field, evenings will be just as important. Group coaching sessions and social catch-ups will give umpires the

chance to reflect, exchange ideas, and celebrate the effort that goes into an event of this scale.

The Championships will also recognise excellence, with a number of awards presented across the weekend. These include the prestigious JJ Lussick Award for Best Field Umpire, along with honours for the top Boundary and Goal Umpires, and the Peter Troode Encouragement Award — highlighting an umpire who has shown outstanding promise.

Now in its 60th year, the Country Championships carry a proud legacy. For many umpires, this event has been a stepping stone to higher honours in the WAFL and AFL, while for others it's a chance to represent their region and be part of something bigger.

Whether it's your first carnival or one of many, being involved is an achievement in itself.

Thank you to all our umpires for your commitment, energy, and contribution to country football. It's a demanding weekend but one that continues to deliver lasting rewards.

How to check in on someone

Helping others and providing support can make a difference for someone who is having problems and going through a tough time. If you think someone you care about isn't going so well, try the following tips on how to support them and continue to check in on them.

Talk

For most people, just asking if they are okay and listening can make a difference.

By simply being there for someone, they can feel less alone and more supported to open up and talk about how they are really feeling.

Asking open ended questions that require a response is a good way to start the conversation.

FOR EXAMPLE:

- How are you going? What's been happening in your life lately?
- You don't seem quite yourself lately, is something bothering you?
- You seem upset or worried, what's going on? Can I help with something?
- I've noticed you're not going out much lately, anything going on?

Listen

Just being there for someone and offering a listening ear can make a difference.

1. Show them that you care and are here to listen to them.
2. Have patience, let others talk and don't judge.
3. Be reflective by repeating what they have said.
4. Keep calm and accept that they may disagree with you.

Provide support

If the person you're concerned about is in a life threatening situation, or is at risk of harm to themselves or others, call 000.

Getting help early can make a difference. A good place to start is:

- Talk to your GP or someone you trust.
- Call a support line.
- Contact a support service.
- Try the Think Mental Health check-up tool.

They may also need your support while they look for professional help.

Do an activity together

Activities create conversation. Find an opportunity during everyday life activities to start the conversation and ask them how they are really feeling. Try doing activities together such as:

GOING FOR A WALK

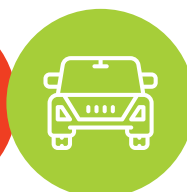

GOING TO AN EVENT TOGETHER

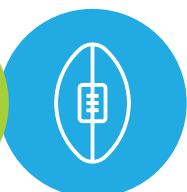

GOING FOR A COFFEE OR A MEAL

KICKING THE FOOTY, PLAYING A GAME, SURFING ETC

GOING FOR A DRIVE

ANYTHING THAT ENCOURAGES OR PROVIDES AN OPPORTUNITY TO HAVE A CHAT

WA COUNTRY WOMEN AND MEN TAKE VALUABLE LESSONS FROM 2026 STATE MATCHES

The 2026 WA State Country Program once again showcased passion, talent and pride of regional football, this time with both the Women's and Men's team representing country Western Australia against a strong Perth Football League opposition.

Under the guidance of new head coach Sheridan Kowald, alongside assistant coaches Shelby Foster and Mikayla Western, the Women's State Country side entered this year's clash with a squad assembled from the leagues across regional WA. Despite limited time together, the group quickly developed a strong connection and embraced the opportunity to represent their regions on the State stage.

While the result did not fall WA Country's way, the performance highlighted a depth of talent throughout regional football. Kowald praised the way the squad embraced the experience and connected so quickly despite many players meeting for the first time:

"To bring together players from across the state and produce such competitive, selfless football after only a few hours together was a credit to their character, commitment and pride in the jumper."

The women's program continues to provide an important pathway for regional players to test themselves against elite opposition while celebrating the strength of country football across the state. Since the Country v City clash two WA State

Country players have made their WAFLW debut; Kiahn Perry (Claremont – Club Debut) and Siri Matthews (Subiaco – Signing and WAFLW Debut).

Attention then turned to the return of the men's country vs. city clash, serving as an important lead-in to the team's upcoming interstate challenge against South Australia Country.

The match provided valuable insight for the coaching staff and playing group as they prepare for the next stage of their representative journey in 2026. Facing quality opposition, WA Country fought hard throughout the contest but were ultimately unable to secure the result they were chasing.

The men's squad will not take those lessons into their interstate campaign, where they will be eager to deliver a strong response and further showcase the quality of country football in Western Australia.

Both programs continue to be a cornerstone of the WA State Program, bringing together the best talent from regional WA and celebrating the community spirit that makes country football so unique.

As preparations continue for the men's encounter with South Australia Country, the future remains bright for WA Country football, with both squads demonstrating the pride, commitment and resilience that define regional football across the state.
